Introduction

1.1 Hoboken Public Schools ("HPS") Overview

The Hoboken Public Schools comprise a diverse urban district serving approximately 2,700 students in grades K-12 across five schools: Joseph F. Brandt Primary School, Salvatore R. Calabro Elementary School, Thomas G. Connors Elementary School, Wallace Elementary School, and Hoboken Junior-Senior High School. The Passport to Learning program targets HPS elementary students (K-6) attending Brandt, Calabro, Connors or Wallace.

1.2 Background to Passport to Learning

Passport to Learning is a comprehensive elementary after-school program launching for the 2017-18 school year. The program holistically extends and enhances the school day, providing the following to each registered student: a post-dismissal organization/snack period; a learning-based enrichment offering of their choosing; academic support/challenge and homework help; structured play; and dinner. The program runs from dismissal until 6 pm, but parents can register for one 1 of 3 itineraries with various exit points during that time period. Passport to Learning is affordable and accessible to all HPS students in grades K-6 at their home schools. HPS is looking for potential vendors to help execute the learning-based enrichment offering outlined below.

2. SCOPE OF WORK

2.1 Overview

Instructors are to provide an avenue for students to develop their visual creativity and written communication skill using various forms of media to develop comic books. Instructors will work with the Journey Magazine staff to digitally display students work in the Passport to Learning Magazine. Students will design their own comic books, developing a story, a superhero and other characters as they experiment with a wide range of art materials. Instructors will host at least one art show, showcasing student work at the school.

As part of its Passport to Learning initiative, Hoboken Public Schools has done an assessment of our needs for a comprehensive afterschool program for Pow! Zap! Comic Kids! which will run in each of the following schools as follows:

C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM (EXHIBIT H)

Public Agency Instructions

This page provides guidance to public agencies entering into contracts with business entities that are required to file Political Contribution Disclosure forms with the agency. **It is not intended to be provided to contractors.** What follows are instructions on the use of form local units can provide to contractors that are required to disclose political contributions pursuant to N.J.S.A. 19:44A-20.26 (P.L. 2005, c. 271, s.2). Additional information on the process is available in Local Finance Notice 2006-1 (http://www.nj.gov/dca/divisions/dlgs/resources/lfns_2006.html). Please refer back to these instructions for the appropriate links, as the Local Finance Notices include links that are no longer operational.

- 1. The disclosure is required for all contracts in excess of \$17,500 that are **not awarded** pursuant to a "fair and open" process (N.J.S.A. 19:44A-20.7).
- 2. Due to the potential length of some contractor submissions, the public agency should consider allowing data to be submitted in electronic form (i.e., spreadsheet, pdf file, etc.). Submissions must be kept with the contract documents or in an appropriate computer file and be available for public access. **The form is worded to accept this alternate submission.** The text should be amended if electronic submission will not be allowed.
- 3. The submission must be **received from the contractor and** on file at least 10 days prior to award of the contract. Resolutions of award should reflect that the disclosure has been received and is on file.
- 4. The contractor must disclose contributions made to candidate and party committees covering a wide range of public agencies, including all public agencies that have elected officials in the county of the public agency, state legislative positions, and various state entities. The Division of Local Government Services recommends that contractors be provided a list of the affected agencies. This will assist contractors in determining the campaign and political committees of the officials and candidates affected by the disclosure.
- a. The Division has prepared model disclosure forms for each county. They can be downloaded from the "County PCD Forms" link on the Pay-to-Play web site at http://www.nj.gov/dca/divisions/dlgs/programs/lpcl.html#12. They will be updated from time-to-time as necessary.
- b. A public agency using these forms should edit them to properly reflect the correct legislative district(s). As the forms are county-based, they list all legislative districts in each county. Districts that do not represent the public agency should be removed from the lists.
- c. Some contractors may find it easier to provide a single list that covers all contributions, regardless of the county. These submissions are appropriate and should be accepted.
- d. The form may be used "as-is", subject to edits as described herein.
- e. The "Contractor Instructions" sheet is intended to be provided with the form. It is recommended that the Instructions and the form be printed on the same piece of paper. The form notes that the Instructions are printed on the back of the form; where that is not the case, the text should be edited accordingly.
- f. The form is a Word document and can be edited to meet local needs, and posted for download on web sites, used as an e-mail attachment, or provided as a printed document.
- 5. It is recommended that the contractor also complete a "Stockholder Disclosure Certification." This will assist the local unit in its obligation to ensure that contractor did not make any prohibited contributions to the committees listed on the Business Entity Disclosure Certification in the 12 months prior to the contract. (See Local Finance Notice 2006-7 for additional information on this obligation at http://www.nj.gov/dca/divisions/dlgs/resources/lfns 2006.html) A sample Certification form is part of this package and the instruction to complete it is included in the Contractor Instructions. **NOTE: This section is not applicable to Boards of Education.**

C. 271 POLITICAL CONTRIBUTION DISCLOSURE FORM (EXHIBIT H) Contractor Instructions

Business entities (contractors) receiving contracts from a public agency that are NOT awarded pursuant to a "fair and open" process (defined at N.J.S.A. 19:44A-20.7) are subject to the provisions of P.L. 2005, c. 271, s.2 (N.J.S.A. 19:44A-20.26). This law provides that 10 days prior to the award of such a contract, the contractor shall disclose contributions to:

- any State, county, or municipal committee of a political party
- any legislative leadership committee*
- any continuing political committee (a.k.a., political action committee)
- any candidate committee of a candidate for, or holder of, an elective office:
 - o of the public entity awarding the contract
 - o of that county in which that public entity is located
 - o of another public entity within that county
 - o or of a legislative district in which that public entity is located or, when the public entity is a county, of any legislative district which includes all or part of the county

The disclosure must list reportable contributions to any of the committees that exceed \$300 per election cycle that were made during the 12 months prior to award of the contract. See N.J.S.A. 19:44A-8 and 19:44A-16 for more details on reportable contributions.

<u>N.J.S.A.</u> 19:44A-20.26 itemizes the parties from whom contributions must be disclosed when a business entity is not a natural person. This includes the following:

- individuals with an "interest" ownership or control of more than 10% of the profits or assets of a business entity or 10% of the stock in the case of a business entity that is a corporation for profit
- all principals, partners, officers, or directors of the business entity or their spouses
- any subsidiaries directly or indirectly controlled by the business entity
- IRS Code Section 527 New Jersey based organizations, directly or indirectly controlled by the business entity and filing as continuing political committees, (PACs).

When the business entity is a natural person, "a contribution by that person's spouse or child, residing therewith, shall be deemed to be a contribution by the business entity." [N.J.S.A. 19:44A-20.26(b)] The contributor must be listed on the disclosure.

Any business entity that fails to comply with the disclosure provisions shall be subject to a fine imposed by ELEC in an amount to be determined by the Commission which may be based upon the amount that the business entity failed to report.

The enclosed list of agencies is provided to assist the contractor in identifying those public agencies whose elected official and/or candidate campaign committees are affected by the disclosure requirement. It is the contractor's responsibility to identify the specific committees to which contributions may have been made and need to be disclosed. The disclosed information may exceed the minimum requirement.

The enclosed form, a content-consistent facsimile, or an electronic data file containing the required details (along with a signed cover sheet) may be used as the contractor's submission and is disclosable to the public under the Open Public Records Act.

The contractor must also complete the attached Stockholder Disclosure Certification. This will assist the agency in meeting its obligations under the law. **NOTE: This section does not apply to Board of Education contracts.**

^{*} N.J.S.A. 19:44A-3(s): "The term "legislative leadership committee" means a committee established, authorized to be established, or designated by the President of the Senate, the Minority Leader of the Senate, the Speaker of the General Assembly or the Minority Leader of the General Assembly pursuant to section 16 of P.L.1993, c.65 (C.19:44A-10.1) for the purpose of receiving contributions and making expenditures."

THE NUCLEAR-FREE HOBOKEN ORDINANCE (EXHIBIT I)

- (1) FINDINGS: The People of the City of Hoboken hereby find that:
- (a) Nuclear weapons production, in the United States and in other countries, is draining the world's resources and presenting humanity with an ever- increasing threat of nuclear war.
- (b) Any participation in the nuclear war industry, locally, federally, or otherwise, directly condones the possible annihilation of our civilization. We see this as a crime against the sacredness of our humanity.
- (c) The emphatic expression of our community, along with communities throughout the world, can help initiate steps by the United States, the Soviet Union, and other nuclear weapons powers to end the arms race and the proliferation of all nuclear weapon systems.
- (2) POLICY: Hoboken shall be established as a Nuclear Free Zone. A Nuclear Free Zone shall be defined by these requirements:
- (a) No nuclear weapons, delivery systems for such weapons, or components expressly intended to contribute to the operation, guidance or delivery of a nuclear weapon shall be produced or stored within the City of its' port.
- (b) No waste from the production of nuclear weapons, their components, or commercial nuclear power shall be stored within the City of its' port.
- (c) No research furthering nuclear weapons, their components, or commercial nuclear power shall be stored within the City of its' port.
- (d) The Mayor and Council of the City of Hoboken shall request the United States Department of Transportation and the New Jersey Department of Transportation to provide the City with advance notification of any radioactive waste shipment through the City limits. Upon such notification, the Mayor and Council shall act to prevent transportation of radioactive waste through the City by seeking an exemption for preemption by Department of Transportation regulations or using other legal means at their disposal.
- (e) The Mayor and Council of the City of Hoboken shall not do business or award any municipal contract to any person, firm, or organization engaged in the production of nuclear weapons or components.
- (3) This ordinance expresses the policy of the City of Hoboken. It is not intended to make violations subject to forfeiture and nothing in this ordinance shall be construed to prohibit or regulate any activity not specifically described in Subsection (2).
