Bid Guarantee

1. Each bid must be accompanied by a bid bond, cashier's or certified check for a minimum of five percent (5%) of the amount of the annual contract cost. In no case may the certified check, cashier's check or bid bond exceed \$50,000. No other form of guarantee is authorized. This guarantee must be made payable to the Board of Education. The deposit will be forfeited if the bidder refuses to execute a contract. Otherwise, checks will be returned when the contract is executed and a surety (performance) bond is filed with the Board of Education. The bid guarantee is identified by the bid number assigned to the bid for which it is submitted. The bid guarantee for all unsuccessful bidders, except for the three lowest bidders, will be returned within 10 days after the bid opening (Saturdays, Sundays and holidays excepted). The annual contract amount of per diem contracts is calculated by multiplying the total per diem cost by the actual # of days in school calendar or 180 days.

The bond provided for per diem contracts must be equal to the total per diem bid multiplied by the actual number of days in the school calendar.
2. If personal bonds are permitted by these specifications, a contractor who submits a personal bond must ensure that the bondsperson providing the performance guarantee provides a list of all school districts in which they are bonding contracts and the amount of the contracts bonded. Evidence of the value of the property listed as security must also be provided upon request.

Breach of Contract/Penalties

In the event the contractor fails to provide service in accordance with these specifications and stated requirements, the contractor will be considered in breach of contract. This may result in cancellation of the contract and/or enforcement of contractor's performance bond. The Contractor shall also be subject to penalties as set forth herein.

THE NUCLEAR-FREE HOBOKEN ORDINANCE

(1) FINDINGS: The People of the City of Hoboken hereby find that:

- (a) Nuclear weapons production, in the United States and in other countries, is draining the world's resources and presenting humanity with an ever-increasing threat of nuclear war.
- (b) Any participation in the nuclear war industry, locally, federally, or otherwise, directly condones the possible annihilation of our civilization. We see this as a crime against the sacredness of our humanity.
- (c) The emphatic expression of our community, along with communities throughout the world, can help initiate steps by the United States, the Soviet Union, and other nuclear weapons powers to end the arms race and the proliferation of all nuclear weapon systems.

(2) POLICY: Hoboken shall be established as a Nuclear Free Zone. A Nuclear Free Zone shall be defined by these requirements:

- (a) No nuclear weapons, delivery systems for such weapons, or components expressly intended to contribute to the operation, guidance or delivery of a nuclear weapon shall be produced or stored within the City of its' port.
- (b) No waste from the production of nuclear weapons, their components, or commercial nuclear power shall be stored within the City of its' port.
- (c) No research furthering nuclear weapons, their components, or commercial nuclear power shall be stored within the City of its' port.
- (d) The Mayor and Council of the City of Hoboken shall request the United States Department of Transportation and the New Jersey Department of Transportation to provide the City with advance notification of any radioactive waste shipment through the City limits. Upon such notification, the Mayor and Council shall act to prevent transportation of radioactive waste through the City by seeking an exemption for preemption by Department of Transportation regulations or using other legal means at their disposal.
- (e) The Mayor and Council of the City of Hoboken shall not do business or award any municipal contract to any person, firm, or organization engaged in the production of nuclear weapons or components.

(3) This ordinance expresses the policy of the City of Hoboken. It is not intended to make violations subject to forfeiture and nothing in this ordinance shall be construed to prohibit or regulate any activity not specifically described in Subsection (2).

(4) SEVERABILITY: If any portion of this Ordinance is hereafter declared invalid, all remaining portions shall remain in full force and effect, and to this extent, the provisions of this Ordinance are severable.
