I GENERAL INFORMATION

A. Procurement

1. All procurement transactions shall be conducted in a manner that provides maximum full and open competition and in accordance with all applicable State and Federal law including, but not limited to, Uniform Administrative Requirements, Cost Principles and Audit Requirements, 2 CFR 200.318-200.326, formerly in 7 CFR 3016.36 and 3019.48, as applicable, and the SFA Code of Conduct.
2. This contract will be a **Cost Reimbursable Contract**.
3. The SFA will not conduct the procurement process in a manner that uses statutorily or administratively imposed in-state or local geographic preferences in the evaluation of proposals in accordance with 2 CFR 200.319(b).
4. **An FSMC that has provided recommendations, developed or drafted specifications, requirements, statements of work, or any other information for this RFP shall be excluded from competing to provide the services sought in this solicitation.**
5. The SFA reserves the right to reject any or all RFPs if deemed in the best interest of the SFA.
6. The SFA will award the contract to the most responsible FSMC whose proposal is most advantageous to the program, with price and other factors considered. A responsible FSMC is one whose financial, technical and other resources indicate an ability to perform the services required by this solicitation.
7. FSMCs or their authorized representatives are expected to fully inform themselves as to the conditions, requirements, and specifications before submitting proposals; failure to do so will be at the FSMC's own risk and the FSMC cannot secure relief on the plea of error. The SFA is not liable for any cost incurred by the proposer prior to the New Jersey Department of Agriculture (NJDA) Division of Food and Nutrition's (DFN) final approval of the contract, and the signing of the contract by all parties. Paying the FSMC from Child Nutrition (CN) program funds (school food service account) is prohibited until the contract is signed by both parties and final approval is provided by the DFN.
8. If additional information about this RFP is required, refer to the instructions regarding “proposer communications” on page 3 herein.
9. A Pre-Proposal Meeting with interested proposers to review specifications, to clarify any questions, and to tour the facilities with school officials is **not** mandatory. However, it is strongly recommended and encouraged. Refer to page 3 of the RFP to determine if the SFA has planned a meeting and scheduled a time and location.

B. Award Criteria/Methodology

1. The contract will be awarded to the responsible proposer whose proposal is the most advantageous to the program with price and other factors considered. An evaluation committee should be comprised of at **least three people**. Each committee member should evaluate proposals independently (team scoring is not allowed). The SFA must establish evaluation and scoring criteria and must assign a Weighting Factor Percentage to each criterion as part of the RFP preparation process and prior to the RFP being advertised using the RFP Scoring Criteria and Evaluation Form on page 45. Price must have the highest weighting factor percentage.
2. **Scoring Methodology:** Price must be the primary factor (assigned the highest weighting factor percentage). Each criterion (listed in Column A) must receive a score ranging from 1-5 points (Column C). The criterion score must then be multiplied by the assigned weighting factor percentage (Column B) to get the total weighted score of the criterion (Column D). The total weighted score for each criterion should be added together to compute the total score of the proposal evaluation. The RFP Scoring Criteria and Evaluation Form can be found on page 45 of this document. Directions for completing this process can be found on the form.

C. RFP Protests

1. Any action which diminishes full and open competition seriously undermines the integrity of the procurement process and may subject the SFA to RFP protests. SFAs are responsible for properly responding to protests and concerns raised by potential contractors. SFAs **must** insert their RFP protest procedures below. SFAs must in all instances disclose all information regarding a protest to the DFN.

Insert RFP Protest Procedure here:

D. Security to Accompany Bid; Amount

1. Bid Guarantee: The FSMC shall submit with its proposal, a bid guarantee in the amount of 10% of the bid, but not in excess of \$20,000, that may be given, at the option of the FSMC, by certified check, cashier's check or bid bond. N.J.S.A. 18A:18A-24. Bid Guarantees will be returned (a) to unsuccessful FSMCs as soon as practicable after the opening of bids; and (b) to the successful FSMC upon final approval and execution of all contractual documents, proof of insurance coverage and bonds as may be required.

E. Captions

1. Captions in all sections of this document are provided only as a convenience and shall not affect the interpretation of this instrument and its attachments.

F. Contract Term

1. The contract shall be for a period of one year, or less, as listed on page 1 of the RFP with up to four optional one-year renewals with mutual agreement between the SFA and the FSMC. 7 CFR 210.16(d). Any price change included as part of a renewal shall be based upon the price of the original contract as cumulatively adjusted pursuant to any previous adjustment or renewal, and shall not exceed the change in the Index Rate (as defined in Public Schools Contract Law, N.J.S.A. 18A:18A-1 *et seq.*) for the 12 months preceding the most recent quarterly calculation available at the time the contract is renewed; and the terms and conditions of the contract shall remain substantially the same. N.J.S.A. 18A:18A-42.

This contract cannot be effective prior to the date of final approval by DFN.

G. Errors or Omissions

1. The proposing FSMCs shall not be allowed to take advantage of any errors or omissions in the RFP specifications. Where errors occur in the RFP specification, an FSMC shall promptly notify the contact person listed. Inconsistencies in the RFP specifications are to be reported prior to proposals being submitted. The SFA will communicate the corrections and clarifications to all potential proposers.

H. Final Contract

1. The final contract shall consist of the terms and conditions on pages 13 through 44 herein as well as all documents included by the SFA in the RFP and the proposal submitted by the FSMC. No additional modifications or amendments may be made without prior State Agency approval.

I. Gifts from FSMC

1. The SFA's officers, employees, or agents shall neither solicit nor accept gratuities, favors, nor anything of monetary value from FSMCs nor potential FSMCs. The appropriate penalties, sanctions, or disciplinary actions to be applied for violations will be determined by the SFA Code of Conduct for Procurement and applicable Federal, State and local laws and regulations.

J. Late Proposals

1. The SFA will not consider any proposals received after the exact time specified for receipt.

K. Meal Equivalents

1. For the purpose of making the meal count computation, the number of meals served to children shall be determined by actual counts of reimbursable meals. The State Agency shall determine the a la carte meal equivalent by dividing the a la carte revenue by the per meal sum of the Federal and State free meal reimbursement plus the per meal value of USDA entitlement and bonus donated foods. A la carte revenue shall include adult meals and a la carte sales to students and adults. If applicable, revenue from vending machine sales will be included as part of the a la carte revenue.

L. Payment and Fees

1. Payment in the Cost Reimbursable Contract shall be based on the FSMC monthly invoice and operating statement of allowable costs to operate the food service program. The FSMC shall also provide vendor invoices for all charges and expenses and documentation of its certified payroll. Sample FSMC operating statement, monthly invoice and catering invoice can be found at https://www-agr.state.nj.us/AG_SNEARS2/childResources/4 listed under Food and Nutrition, Food Service Management Company Documents.
2. The FSMC shall provide the SFA with a year-end operating statement detailing the school year breakeven, return or loss.
3. The SFA will perform a year-end reconciliation to verify the accuracy of the FSMC's invoices and operating statements.

M. Additional Information

1. The SFA may add any additional requirements to the RFP by completing the RFP Modification Request on page 58 of this document. **The RFP must be completed along with the RFP Modification Request form and submitted to the State Agency for approval prior to the start of the solicitation process.** The SFA may not add additional requirements to the Renewal Year documents unless the requirements are addressed in the RFP. If a requirement constitutes a material change, the SFA must issue a new RFP for its food service management. SFAs should consult with legal counsel in making those determinations.
2. Any FSMC that submits a proposal for items or activities not requested by the SFA and specified in the RFP will be considered overly responsive and the proposal will not be considered.
3. If the services of the FSMC are to begin after the start of the school year and the beginning contract term date is later than July 1 (i.e. January 1), include that date in the advertisement and solicitation. It must also be addressed at the walk-through. The ending contract term date will always be June 30th.
4. This proposal and contract are based on the SFA's 21-day cycle menu. The FSMC must adhere to the cycle for the first 21 days of meal service. Changes thereafter may be made with the approval of the SFA. An SFA with no capability to prepare a cycle menu may require, with State Agency approval, that each FSMC include a 21-day cycle menu, developed in accordance with the provisions of 7 CFR 210.10, with its proposal. 7 CFR 210.16(b)(1).

2. Geographical Preference Option 7 CFR 210.21(g)

☐ **Check this Box if Choosing a Geographical Preference:**

- a. The SFA seeks to increase its purchase of seasonal, minimally processed fresh fruits and raw vegetables as part of the Farm to School Program. Reasons for purchasing local products include the potential cost savings, nutrition education for students, and quality of product.
 Minimally Processed: includes, but is not limited to, refrigerating, adjusting size (peeling, slicing, dicing, cutting, chopping), washing, packaging and adding ascorbic acid or other preservatives to prevent oxidation of produce.

- ☐ The **SFA is requesting** the FSMC to propose and purchase equipment necessary for the implementation or enhancement of the food service operation. The proposed equipment must be detailed in the FSMC Proposed Equipment form and included in the Response and Projected Operating Statement (Form #23CR).

The financial commitment/investment shall be amortized on a straight-line basis over a period of five (5) years, commencing upon the date the equipment is placed in service. The amortization will be charged to the SFA as a direct cost and will be billed to the SFA **in addition** to the operating costs on a monthly basis.

Should this contract expire or be terminated by either party for any reason whatsoever, prior to the complete amortization of the financial commitment/investment, the SFA shall, in the SFA's sole discretion, either (a) reimburse the FSMC for the total unpaid balance of the financial commitment/investment as of the date of expiration or termination; or (b) continue to make payments under the monthly **amortization schedule until the financial commitment/investment is fully paid**; or (c) deliver the equipment funded by the financial commitment/investment to the FSMC in full release of the unpaid balance.

The FSMC shall make substitutions in the food components of the meal pattern for students with disabilities when their disability restricts their diet and for non-disabled students who are unable to consume regular lunch because of medical or other special dietary needs. - c. DOD Produce

If for the school year immediately preceding the beginning of this contract, the SFA's food service was self- operating, the FSMC shall also credit the SFA for the value of all USDA donated foods in the SFA's inventory carried over from the preceding school year.

RFP Scoring Criteria and Evaluation Form

USDA requires that an evaluation and scoring plan be included in the RFP prior to the receipt of any proposals. **SFAs must not change or by-pass the published evaluation and scoring criteria to circumvent full and open competition.** SFA must complete the **Evaluation Criteria (Column A)** and **Weighting Factor Percentage (Column B)** sections in the table below as part of the RFP completion process. SFA can select from the sample criteria provided in the Sample RFP Scoring Criteria (Form #320) or develop their own. SFA must assign a Weighting Factor Percentage (Column B) for each criterion and **#1 Total Cost, must have the highest weighting factor percentage. Each Criterion must receive a score ranging from 1-5 points (Column C). Each score in Column C must be multiplied by the assigned weighting factor percentage to get a weighted score in Column D. Columns C and D must be completed by the evaluators once the proposals are reviewed.** Each evaluator should provide scores in the points section (Column C) based on their evaluation of the criteria listed and the way in which the individual criteria were addressed in each FSMC proposal. **When evaluating the proposals, scoring must be done individually and not as a group.**

Column A	Column B	Column C	Column D
The Criteria Used in Evaluating Proposals The points awarded range from 1 to 5, with 5 being the highest score and 1 being the lowest	Weighting Factor Percentage	Points Score 1 to 5	Total Weighted Score Multiply Column B X C
1. Total Cost: points awarded to the cost of the contract (the amount indicated on page/tab 5 of Form 23CR, Total Program, Total Expenses) will be based on the lowest total cost receiving the most points with decreasing points for each FSMC's higher cost.			
2.			
3.			
4.			
5.			
6.			
7.			
Weighting Factor Percentage in Column B should total 100% Total Score is the addition of all totals in Column D	100%		Total Score

To average the scores for FSMC Proposal Comparison Form (Form #24CR), add all total scores and divide by the number of evaluators.
