Notes:

* As noted on the first edition of this calendar, the Board of Education reserves the right to modify the district calendar when recommended by the Superintendent of Schools. Because two (2) snow days were used during the 2016-2017 school year, one (1) day has been added to the calendar to ensure the district requirement of student days and staff days is met. The last day of school and graduation will be June 22, 2017.
